Introduction to the Historical Books

Strategies for Reading
Steven L McKenzie

Surveys the historical books of the Old Testament, Joshua through Ezra-Nehemiah, for their historical context, contents, form and themes. Suggests that the source of the perceived discrepancy in historical research may lie not with the Bible but with the way in which it has been read.

Soundings in Kings

Perspectives and Methods in Contemporary Scholarship

Ed by M Leuchter and K Adam

A collection of essays examining 1 and 2 Kings as an independent work, focusing on the historical and literary features. Demonstrates the role of Kings as a cornerstone work within the Hebrew Bible, a crossroads between prophecy, poetry, wisdom, ancestral and national narrative and ritual instruction. Contributors include Graeme Auld and Michael Pietsch.

The Old Testament Pseudepigrapha: Apocalyptic Literature and Testaments

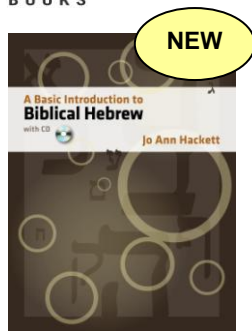

Edited by James H Charlesworth

A landmark set of all 65 Pseudepigraphical documents from the intertestamental period which reveals the ongoing development of Judaism and the roots from which the Christian religion took its beliefs. A scholarly authority on each text contributes a translation, introduction and critical notes for each text. Volume One features apocalyptic literature and testaments. Volume Two includes expansions of the "Old Testament": legends, wisdom and philosophical literature, prayers, psalms and odes and fragments of lost Judeo-Hellenistic Works.
